

CAITLIN EICHER CASPI, ScD

PROFESSIONAL ADDRESSES

UConn Rudd Center for Food Policy and Obesity
1 Constitution Plaza
Hartford, CT 06103
860-380-1016
caitlin.caspi@uconn.edu

University of Connecticut
Department of Allied Health Sciences
358 Mansfield Rd. U-1101
Storrs, CT 06269

IDENTIFYING INFORMATION

Degree	Institution	Date Degree Granted
BA	Brown University Psychology	2002
ScM	Harvard T.H. Chan School of Public Health Society, Human Development and Health	2008
ScD	Harvard T.H. Chan School of Public Health Society, Human Development and Health	2012
Postdoctoral Fellowship	University of Minnesota	2012 – 2014

Academic Appointments

University of Connecticut, Rudd Center for Food Policy and Obesity Director of Food Insecurity Initiatives	2020 - present
University of Connecticut, Department of Allied Health Sciences Associate Professor with Tenure	2020 - present
University of Minnesota, Department of Family Medicine and Community Health Associate Professor with Tenure	2020
Assistant Professor	2014 – 2020
Postdoctoral Associate	2012 – 2014
University of Minnesota, Healthy Eating & Activity Across the Lifespan (HEAL Center) Associate Director	2018 – 2020
University of Minnesota, School of Public Health, Division of Epidemiology & Community Health Affiliate Assistant Professor	2016 – 2020
Dana-Farber Cancer Institute, Center for Community-Based Research Research Assistant	2006 – 2012
Memorial Sloan-Kettering Cancer Center, Sydney Kimmel Center for Prostate & Urologic Cancers Research Study Assistant	2003 – 2006

HONORS AND AWARDS FOR RESEARCH WORK, TEACHING, PUBLIC ENGAGEMENT, AND SERVICE

NIH Loan Repayment Program, National Institute on Minority Health and Health Disparities	
3 rd Renewal Award	2020 – 2021
2 nd Renewal Award	2018 – 2020
1 st Renewal Award	2015 – 2017
Initial Award	2013 – 2015
Medical School Dean’s Recognition Award for Research	2018
National Extension Association of Family & Consumer Sciences Award	2017
1st place Central Region, Project breakFAST	
NIH Training Institute for Dissemination & Implementation Research in Health travel award	2014
Citation Abstract Winner, Society of Behavioral Medicine	2013
NIH/NCI R25 Postdoctoral Fellowship	2012 – 2014
Cancer-Related Health Disparities Career Development and Training Program	
University of Minnesota	
Outstanding Teaching Assistant Award, Harvard T. H. Chan School of Public Health	2012
NIH/NCI R25 Predoctoral Fellowship	2010 – 2012
Cancer Prevention and Control Career Development and Training Program	
Harvard T.H. Chan School of Public Health	
Harvard-Manchester Initiative on Inequality & Social Change travel award	2010

RESEARCH AND SCHOLARSHIP

Grants and Contracts

Current

- Principal Investigator
R01DK118664-01
NIDDK
A Natural Experiment Evaluating the Effect of a Minimum Wage Increase on Obesity and Diet Related Outcomes
4/1/18 – 3/31/23
\$527,145 (average direct costs per year)
This natural experiment will test the effect of a \$15 an hour city minimum wage policy on health outcomes over 5 years in a cohort of low-wage workers in Minneapolis, MN, compared with workers in a control community (Raleigh, NC).
- Principal Investigator
R01HL136640-02
NIH/NHLBI

A Multilevel Intervention in the Hunger Relief Network to Improve Diet Among Adults Experiencing Food Insecurity

4/15/17 – 3/31/22

\$428,350 (average direct costs per year)

This group-randomized study will evaluate the health impact of an intervention to transform the hunger relief system; outcomes include the nutritional quality of food in pantries, client diet and cardiovascular health.

3. Principal Investigator
Minnesota Hunger Solutions Subcontract
2019 Minnesota Statewide Food Pantry Survey
10/1/19 – 9/30/20
\$49,086 (direct costs)

This needs assessment collects measures on food pantry clients and managers across the state to assess client food pantry usage, food insecurity, and food pantry capacity; it is a follow up of a 2017 survey conducted by our team that yielded over 4000 responses from clients.

4. Principal Investigator
RIDGE (Tufts/UConn Research Innovation and Development Grants in Economics)
SNAP and work-related policies: an in-depth analysis of low-wage worker perspectives and behaviors
6/1/19 – 11/30/20
\$39,887 (direct costs)

The study proposed is an in-depth analysis of low-wage workers related to SNAP and work-related policies in order to understand perspectives about current and future eligibility for SNAP benefits in two policy contexts (Minneapolis, MN and Raleigh, NC).

Completed

1. Co-Principal Investigator (with Cutts D)
Healthy Food Healthy Lives Institute Planning Grant Program for Community-University Partnerships
Developing an HCMC-Open Arms-U of M Collaborative Research Team
7/1/17 - 1/31/18
\$10,000 (total direct costs)
This planning grant convened three partners and produced a pilot grant proposal to test an intervention medically-tailored home-delivered meals to congestive heart failure patients.
2. Principal Investigator
Healthy Food Choice Behavior Research Grants
USDA-Duke-UMN Behavioral Economics Center for Research
Behavioral Economics Approach to Improving the Selection of Healthy Food Among Food Pantry Clients
10/1/16 – 9/30/2017
\$40,000 direct costs
This pilot study used a behavioral economics approach to evaluate in the impact of changes in the food pantry setting on client dietary outcomes (Healthy Eating Index-2010 scores).
3. Co-Principal Investigator (with Cutler G)

Child Health Collaborative Grant Award/ CTSI

Evaluating an EMR-based Process to Identify Food Insecurity Among Pediatric Emergency Department Patients and Improve Connection to Community Services

7/1/2016 – 6/30/2018

\$100,000 (direct costs per year)

This study implements an electronic medical record-based screen for food insecurity in pediatric emergency department patients, and uses an RCT to test strategies to improve connection to community resources to increase levels of food security.

4. Co-Investigator

PI: Berge J/ Nanney MS

R01 HL113235

NHLBI/NICHHD/NCI

Improving Rural High School Breakfast Environments

5/1/2016 – 2/6/2018

\$449,072 (average direct costs per year)

This intervention study implemented best practice strategies to expand and promote the school breakfast program and test the impact on student participation rates, total diet and body mass index using a group-randomized design.

5. Co-Investigator

PI: King R

Target Foundation/Second Harvest Heartland (subcontract)

Measuring the Healthfulness of Food Sourced through Second Harvest Heartland

4/1/2016 – 3/31/2017

\$31,252 direct costs

This study used a measure nutritional quality previously shown to correlate well with the USDA's Healthy Eating Index-2010 (HEI), and adapted it to align with existing food bank tracking systems.

6. Co-Principal Investigator (with Kratchmer L)

Target Foundation/The Food Group (subcontract)

Measuring the Healthfulness of Foods across the Hunger Relief Industry

2/15/2016 – 2/14/2017

\$67,000 annual direct costs

This study tested the implementation of a measure to nutrition quality in food pantries, previously shown to correlate well with the USDA's Healthy Eating Index-2010 (HEI).

7. Co-Investigator

PI: Laska M

R01DK104348

NIH/NIDDK

Impact of a Local Staple Food Ordinance on Food Choices and Calories Purchased

12/1/2014 – 11/30/2018

\$466,669 (average direct costs per year)

The aim of this study is to evaluate the impact of a local policy change (i.e., the Minneapolis Staple Food Ordinance) that establishes minimum stocking criteria for a wide array of healthy foods as a requirement of food store licensing.

8. Co-Investigator

PI: Laska M

U48DP005022-01S1

CDC [Special Interest Project of the UMN Prevention Research Center]

Impact of a Local Food Ordinance on Healthy Food Access

9/1/2014 – 8/30/2019

\$52,000 (direct costs per year)

The aim of this study is to evaluate the impact of a local policy change (i.e., the Minneapolis Staple Food Ordinance) that establishes minimum stocking criteria for a wide array of healthy foods as a requirement of food store licensing.

9. Co-Principal Investigator (with Berg A)
Program in Health Disparities Research, Community-University Pilot Grants
A Toolkit for Culturally Relevant Foods & Services in Twin Cities Food Shelves
7/1/2013 – 6/30/2014
\$19,128 (total direct costs)
This study worked with a local food bank to develop and test a toolkit for culturally-relevant foods and services in hunger relief.

TEACHING AND CURRICULUM DEVELOPMENT

University of Minnesota, Minneapolis, MN

Course/Lecture List

Courses/instructional units

GCC 3028/5028 Harnessing the power of research, community, clinic, and policy to build a culture of health, Co-Instructor, Fall 2019.

PubH 7200: Matchmaking in Public Health: Intentional Integration Across Research, Clinical Practice, Community, and Policy to Promote Health Equity, Contributing Instructor, Summer 2018.

PubH 3950/6900: From Kid to Community: Personal, Social and Environmental Influences on Youth Obesity, Guest Lecture: Non-traditional Food Store Environments and Customer Purchases, Summer 2017.

PubH: 6094: Obesity and Eating Disorder Interventions, Guest Lecturer: Policy Approaches to Obesity Prevention, Spring 2017.

PubH: 6914: Community Nutrition Interventions, Guest Lecture: Local Policy Efforts to Improve Nutrition, Spring 2017.

PubH3905/6905: Nutrition in Health Promotion/Disease Prevention, Guest Lecture: Food Insecurity, Obesity and Nutrition, Fall 2016-2017.

PubH6389: Nutritional Epidemiology, Guest Lecture: Measures of the Food Environment, Fall 2014-2017.

Curriculum Development

GCC 3028/5028 Harnessing the power of research, community, clinic, and policy to build a culture of health.

PubH 7200: Matchmaking in Public Health: Intentional Integration Across Research, Clinical Practice, Community, and Policy to Promote Health Equity.

Faculty Development Activities regarding teaching

DFMCH Collaborative Scholarship Intensive (CSI) course

Guest presentation, Data blitz, 2018 - 2020

Guest presentation, Writing manuscript results, 2016

St. Catherine University, St. Paul, MN

Courses/instructional units

HLTH3150: Epidemiology, Guest Lecture: Social and Behavioral Epidemiology, Fall 2013-14,
Spring 2014

Macalester College, St. Paul, MN

Courses/instructional units

INTD411: Seminar in Community and Global Health, Guest Lecture: Local Responses to Address
Food Insecurity, Spring 2020

Harvard School of Public Health, Boston, MA

Courses/instructional units

SHH231: Community Intervention Research Methods, Teaching Assistant, Spring 2010-12.

SHH201: Society and Health, Teaching Assistant, Fall 2008-2009

ADVISING AND MENTORING

University of Minnesota

Undergraduate Student Activities

Undergraduate Research Projects (UROPS, directed research, lab participation, etc.)

Aubrey Hagen	2019-20
Ibrahim Abdalla	2018
Melvin Coleman	2018
Symone McClain	2016
Olufemi Adams	2013

Graduate Student Activities

Master's Committees Served on

Julia Johnson	2016 – 2017
Sarah Orbuch	2016 – 2017
Ogechi (Jessica) Obidike	2016 – 2017
Ming Yi	2015 – 2016

Master's Student Advisees

Ann Wang	2019- Present
Allison Rudnickas	2017 – 2019

Doctoral Committees Served on

Camilo Bohorquez Penuela	2018
Dominique Rolando	2017- 2019

Graduate Research Assistantships (supported through research grants)

Thomas Durfee	2018 – 2020
Dominique Rolando	2017 – 2019
Nicole Bailey	2017 – 2018
Jessica Obidike	2016

Medical School Student Longitudinal Project Supervision

Michelle Kihara	2019 – Present
-----------------	----------------

Other Mentoring Activities

Undergraduate Research Mentoring Seminars

Anatomy of a research career. Program in Health Disparities Research, Undergraduate Research Program Seminar, July 2017.

Mentorship in a research career. Program in Health Disparities Research, Undergraduate Research Program Seminar, July 2015.

Place matters. Program in Health Disparities Research, Undergraduate Research Program Seminar, July 2013.

Johns Hopkins University, Bloomberg School of Public Health

Master’s Theses Committee

Sally Yan	2019
-----------	------

UNC Gillings School of Global Public Health

Doctoral Dissertation Committee

Leah Chapman	2019 – Present
--------------	----------------

MEMBERSHIP AND OFFICES IN PROFESSIONAL ORGANIZATIONS

Interdisciplinary Association for Population Health Sciences (IAPHS) Member	2020- present
Healthy Foods Healthy Lives Institute, University of Minnesota Board Member	2017 –2020
Minnesota Food Charter Network Shared Measurement Action Team Member	2016 – 2017
University of Minnesota Healthy Weight Research Center (HWRC)	2015 – 2020
RWJF Health Eating Research (HER) Healthy Food Retail Working Group Member	2016 – Present

Methods Subgroup Co-Lead	2016 – 2018
Healthy Eating and Activity across the Lifespan (HEAL) Center, University of MN	
Associate Director	2018 – 2020
Founding Member	2015 – 2018
CDC Nutrition and Obesity Policy Research and Evaluation Network (NOPREN)	2014 – Present
Society of Behavioral Medicine (SBM)	2014 – 2016
American Public Health Association (APHA)	2013 – Present
International Society of Behavioral Nutrition and Physical Activity (ISBNPA)	2013 – 2016
Minnesota Population Center, University of Minnesota	2012 – 2020
Program in Health Disparities Research (PHDR), University of Minnesota	2012 – 2020
Health Equity Work Group (HEWG), University of Minnesota	2012 – 2020
American Society of Clinical Oncology (ASCO)	2005 – 2006
